MIMOS Technology Preview 2009

Annual event showcases advanced technologies for local industries

MIMOS Technology Licensing Agreement and Memorandums of Understanding Recipients at the presentation of certificate of acknowledgement ceremony at MIMOS Technology Preview held in Kuala Lumpur on 21 July 2009 flanked by Dato' Abdul Wahab Abdullah, President & CEO, MIMOS (extreme left); Datin Paduka Prof. Dr. Khatijah Mohd Yusoff, Deputy Secretary General (Science), Ministry of Science, Technology and Innovation (8th from left); Datuk Dr. Maximus Ongkili, Minister Science, Technology and Innovation (center); and Dato' Suriah Abdul Rahman, Chairman, MIMOS (12th from left).

MIMOS Technology Preview 2009 (MTP 2009) is an annual event which is part of MIMOS' commercialization efforts, designed

to showcase MIMOS' frontier technology platforms to the indigenous industries and general public. It is aimed at attracting more

technology recipients to take-up MIMOS' technology platforms to further develop into products and services for the global market.
