# MIMOS & Cisco Malaysia To Establish Asian Centre Of Excellence

**ACENT to provide comprehensive tests for networking technology excellence**

MIMOS & Cisco Malaysia recently signed a Memorandum of Understanding (MoU) to formalize its collaboration for the establishment of an Asian Centre of Excellence in Networking Technologies (ACENT).

ACENT is to be located at MIMOS in Technology Park Malaysia, Bukit Jalil, and will develop and test prototypes of new networking technology products for proof-of-concept, simulate and test new technology products prior to development and/or production, simulate and test of disaster recovery technology, processes and protocols, plan, simulate and test technology migration; and develop

indigenous skills and capabilities in advanced networking technologies.

At the signing ceremony MIMOS was represented by its President

and Chief Executive Officer Dato' Abdul Wahab Abdullah; while Cisco Malaysia was represented by its Managing Director, Kumaran Singaram.
