Mimos gathers ICT players at tech forum

MIMOS recently held a one-day technology forum attended by more than 200 key industry players in the telecommunications and information and communications technology (ICT) sectors from both local and multi-national companies, as well as potential technology recipients for licensing and commercialisation of Mimos technologies.

The technology forum was designed to attract industry players to join Mimos' network of collaboration partners as well as collate market input, development and feedback.

Appreciation: Datuk Abdul Wahab Abdullah (far left), president and chief executive officer of Mimos presenting a token of appreciation to Deputy Science, Technology and Innovation Minister Datuk Kong Cho Ha (second from left), for officiating the *Mimos Technology Forum 2007*. Looking on are MDec's CEO Datuk Badlisham Ghazali (third from left) and Mavcap's CEO Husni Salleh.
