

FOR IMMEDIATE RELEASE

MIMOS and National Information Communications Technology Development Authority of Cambodia (NiDA) Sign Memorandum of Agreement for Establishing Cambodian ICT Research and Development Institute (CIRDI)

BUKIT JALIL, April 10 – National R&D centre in ICT, MIMOS and the National Information Communications Technology Development Authority (NiDA) of Cambodia, embarked into a Memorandum of Agreement (MoA) for establishing Cambodian ICT Research and Development Institute (CIRDI).

The MoA signing ceremony was held here, today.

Under the MoA, MIMOS will assist NiDA in establishing CIRDI by facilitating proof-of-concept projects and providing training, study tour, as well as guidance and mentoring to develop a research and development agenda for CIRDI; and institutionalise research and development management processes in CIRDI.

At the MoA signing ceremony, Datuk Abdul Wahab Abdullah, MIMOS President and CEO, and Mohd Ali Mustafa, Vice President, Industrial Electronics Technology, signed on behalf of MIMOS; while H.E. Mr. Tekreth Samrach, Secretary of State of the Office of the Council of Ministers, and H.E. Mr. Chun Vat, NiDA's Secretary General, signed on behalf of NIDA.
